for Phi Gamma Chapter.

Brothers eye the glories of past victories.

1. Relaxation before supper. 2. And some after-dinner twisting.

**AEPi**

The eleventh year of the Phi Gamma chapter of Alpha Epsilon Pi on our campus brought another fine record of accomplishments.

The highest scholastic average of any fraternity on campus earned for the AEPi's the Interfraternity Council trophy. Politically, the AEPi's were members of the winning Student Party last spring.

Leading the AEPi's this year were President Gerald Richman, Vice-President Joel Sachs, Secretary Mark Demsky, Treasurer Mike Oberst, and Pledgemaster Mike Chase.

No. 2 Fraternity Row.

*AEPi socials make most weekends a refreshing break from the week day responsibilities.*
