

SHABBAT ACROSS AEPi

A product of the 2011 Hineni Jewish Identity Enrichment Conference, Shabbat Across AEPi has grown to be one of our largest programs.

Chapters worldwide give substance to our international Brotherhood by simultaneously hosting a Shabbat dinner the Friday before or following AEPi Founders Day – November 7. This can be the traditional chicken, mashed potatoes and green beans meal, or your chapter can put its own twist on it! You can receive a grant from the AEPi Foundation for up to **\$150** for this event.
