

SEMESTER IN REVIEW: FALL 2022

Dear brothers, my name is Ethan Kruger and I'm the new Brother-At-Large for the Pi Chapter. We would love to share with you the first edition of our newsletter. We will be sending these out regularly to help our family, friends, and alumni stay up to date with all the fun going on back in Madison and around the world. Hope you enjoy some highlights from the past semester!

What a privilege to welcome Omicron Triteron to the brotherhood! The future is very bright for our chapter!

This December, Fmr. Pres. Rubin and Co. presented Madison's Children's Hospital with the \$42,300 they helped raise last year during Life Is Great!

Chapter Update From The Brother Master

Happy holidays, my name is Jacob Bigelman and I have the honor and privilege to serve as the next president of this fraternity. I'm here to inform you all that our chapter is in wonderful and prosperous times, and there is a lot of optimism surrounding the future of the fraternity. Thanks to the hard-working efforts of previous executive boards, I can assure you that I have very large expectations to fulfill and I couldn't be more excited to get to work for the brothers. I would also like to express my appreciation to President Rubin and Vice President Tenner for all they accomplished during their tenure. The new executive board is excited about a busy upcoming semester and lots of hard work has already been spent assuring the brotherhood continues moving forward in the right direction. We are excited to announce that soon we will be releasing our charity's fifth annual Life Is Great fundraiser and the artist for our celebration on April 15th. We have set a goal of \$50,000 and know with all of the brother's hard work we can meet our goal and hopefully surpass it. Thank you all for supporting our chapter and I wish you all a very happy and healthy new year!
